

Amendments to the Drawings:

The attached sheets of drawings include changes to Figure 13. In addition, these sheets, which includes Figures 1A and 1B through Figures 18A and 18B, represent the formal drawings and therefore replace the original sheets including Figures 1A and 1B-18A and 18B.

Attachment: 12 Replacement Sheets

REMARKS

Figure 13 has been amended to more clearly pinpoint the feature designated as reference number 14. Support for this amendment can be found on page 9, under the header of "First Example" where the specification describes a "rectangular central aperture 14". Figure 13 shows this feature in an enlarged view, *see*, page 17, third line under the subheader 4 "Dielectrophoresis application for SET device development".

The section "Brief Description of the Drawing" in the specification is amended to correct obvious typographical errors. No new matter has been introduced by way of these amendment. Applicants therefore respectfully request that the above amendments be entered and the application pass to issuance.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

All of the claims remaining in the application are now clearly allowable. Favorable consideration and entry of this Amendment are earnestly solicited.

Respectfully submitted,
